# Social, Scholarly and

The contributions of the students to Central Catholic are immeasurable. The student is the life, the pulse, the heart beat of the school. Our classmates who can be seen going to concerts, attending games, and cheering at pep sessions; who strive for top grades,

lead a satisfying spiritual life; attend the plays and dances, contribute more of their time and effort and selves than can be estimated. School spirit is the core of activity and the basis of loyalty. We therefore dedicate to you, the student body, the 1962 ECHO.

## In Memoriam

James Moylan, who was a member of this year's graduating class, suffered a fatal fall while mountain climbing in Montana during the summer of 1961.

A member of Queen of Angels Parish, Jim was active in the Student Spiritual Council as a homeroom representative. He participated in the Latin Club and the Fighting 69th, and was a member of the varsity track team.

Although it is hard to lose a classmate, we must remember that God's will comes above all.

Father Hammand and Msgr. Lester are shown looking over report cards. The IBM marked cards, new this year at C.C., are a great help to the teachers, and a sign of the future.

His Excellency, Lea A. Purley, D.D., L.L.D., Bishop of Fort Wayne-South Bend.

# Administrators

Elaine Sutter is the possessor of the sunny smile that greets everyone who enters the first-floor office. Her efficiency and cheery disposition have made her well beloved by both faculty and students of Central Catholic.

Sister Moureen Therese came to us this year from Lodywood School, Indianapolis. However, she was no newcomer to Central Catholic, for she was a member of our faculty from 1940 to 1949. Sister feels the scholastic atmosphere here is high, and that there is a love of scholarship among the students. Thank you, Sister, and welcome back to C.C.!

# Religion

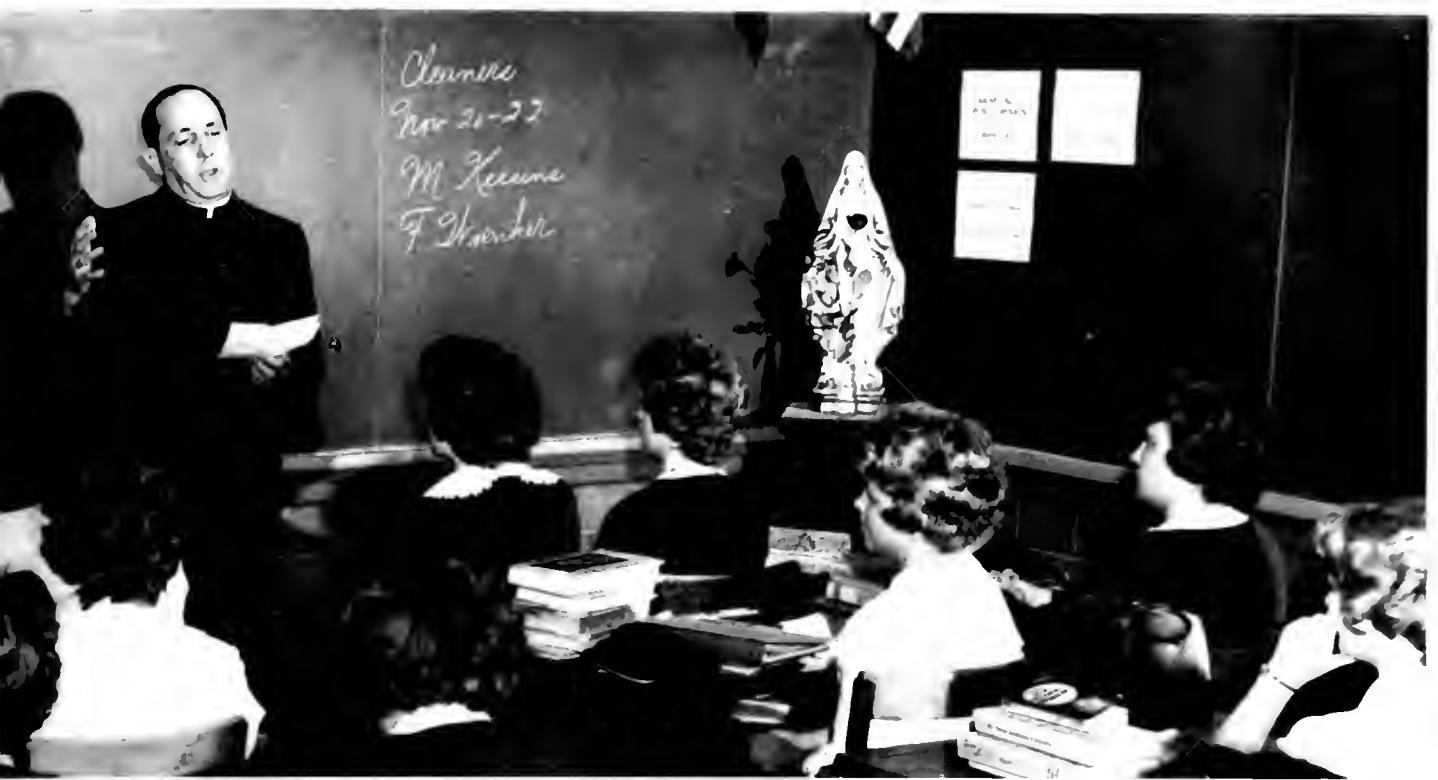

Martha Smith concentrates on her prayers.

Steve Meier and Jim Piepenbrink seem to find Father Emanual's religion class humorous.

# Lovers of

A second year Latin student is helped along the age-old road of this marvelous language to a better understanding of it by Sister Maureen Clare.

In this jet age, when international communication is so easy, language study is of vital importance. No longer can we Americans confidently place the oceans between us and our philosophical enemies. We must learn to understand and appreciate our foreign neighbors. What better way than through studying their language.

In Sister Constance's English II class Tany Martin is shown leading a discussion on a popular American novel.

# Language

ACTIV

# ITIES

Organizations and Activities are the most important extras in an education. We are more than just an intellect, just as learning is more than words, facts, and textbooks. As part of a club we use what we learn in theory in the classroom.

This helps us to mature and to grow into Christ-like adults who by our faith, action, and example will carry the echo of Christ into every place throughout our lives.

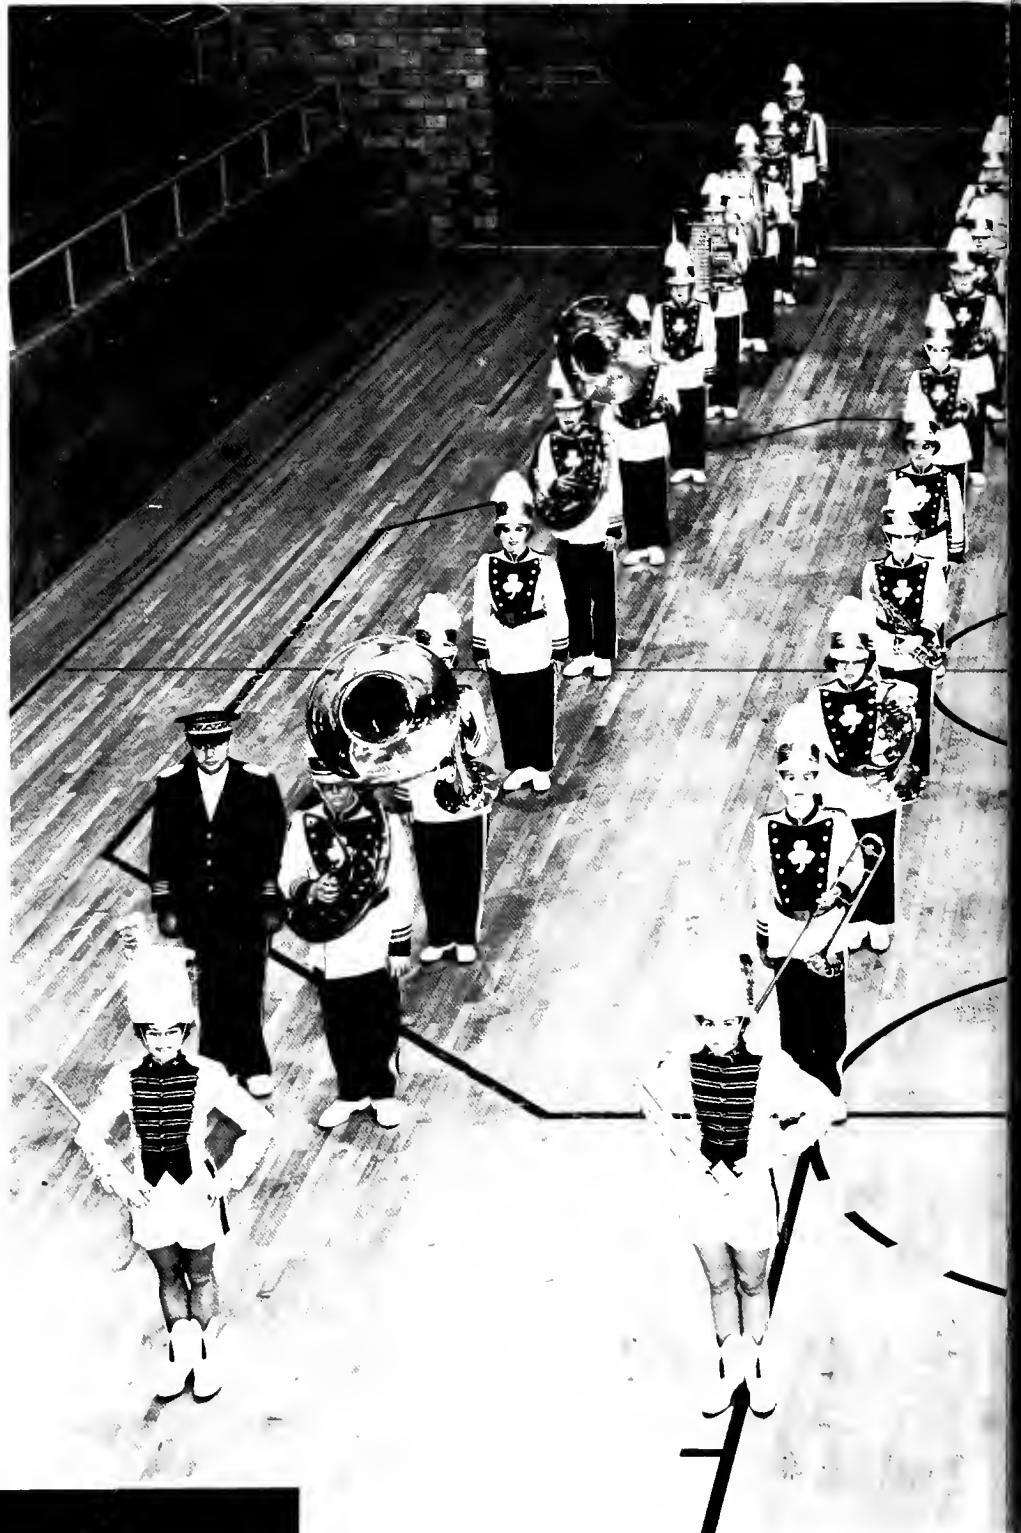

# Strike Up The Band!

The Central Catholic Golden Shamrock Marching Band, under the direction of Mr. Joseph M. Woods, is one of the outstanding products of our distinguished music department. Everyone at school is aware of the quality and variety of music presented by our band, but few realize the hours of tedious practice necessary for the finished product we hear and see.

Besides being accomplished musicians, members of the marching band must be able to go through the intricate routines and formations all of us enjoy so much during the half-time at the football and basketball games. Their musical background presented during these home-games, does much to spark enthusiasm for our team.

Numerous awards won by the marching band members have done much to increase C.C.'s prestige, as have the twirlers' skillful manipulation of their batons.

We take this opportunity to acknowledge the work of these dedicated students, and to thank them for the enjoyment and honor they bring to our school.

## Symphony Orchestra

We at Central Catholic are honored to have a fine Symphony Orchestra. Under the direction of Mr. Joseph Woods, it plays at school concerts and other important functions. Those who belong to this accomplished group give daubly of their time for our listening enjoyment. However, they receive their compensation from the pleasure they give others, and the skill they acquire from the constant practice necessary to achieve the sweet strains all of us enjoy so much.

## Concert Chorus

All students at C.C. have the opportunity to use their vocal talent, no matter how small it may be, through the three choirs of the Music Department. Both the Varsity Chorus, and the Concert Choir, have been entertaining at concerts for many years, and this year, the new All-Student Chair was formed. Composed of members of all four classes, it is improving with every performance, and will soon reach the heights of the other two.

The entire school was treated to the performance of these groups during the Christmas assembly. Their ability to sing such a variety of songs so well impressed all present, and gave C.C. students a fitting preparation for the great feast of Christmas.

## Valentine Queen

Captivating Katie Kohlbacher reigned over the annual valentine dance "Harmony of Hearts". With her golden hair and dimpled smile Katie made a fitting queen for this gala affair.

## Valentine Court

Hearts and flowers accurately describes the setting of the valentine dance. The four charming members of the court with their regal bearing provided a glamorous accent to the colorful affair.

ATHL

# ETICS

Sports are a necessary part of a sound education which will complete our personalities and build character that is Christ-like in every way. When we participate in any phase of the sports program, we are called upon to practice virtues which we would learn nowhere else. The self-discipline of sports requires moral as well as physical strength—a will to win—perseverance—a readiness to accept defeat with a smile. Through them we become spiritual and physical athletes who can "take it" as Christ could.

Hal Coor, a guard on our fighting Irish team, has played football for seven years. Listing English and social science as his favorite subjects, he plans to attend college after graduation. Hal enjoys various sports besides football, such as basketball, golf and tennis, and also likes to dance, eat, and disc-jockey.

Mike Offerle, senior center and linebacker, has been playing football for seven years. His favorite subjects being Math and history, he plans to attend college, probably Purdue University. Mike enjoys ice-skating, golf, and bowling, and is also an outstanding baseball player. In 1961, he was named "Most Valuable Player" by the Junior Federation of Baseball.

## Stalwart Seniors =

Playing everything except center and halfback, Bill Nancarrow has been an important member of our team. He has been playing football since grade school, and is usually found in an end or fullback position. He enjoys Government and English best, and has plans to attend college. Bill enjoys many other sports, and was a member of our track team at C.C.

Dick Frantz, who played football for three years in both grade and high school, is the right tackle on our team. Dick lists cars as his hobby, and says he also enjoys playing basketball and baseball. He would like to go to college, but thinks he will go into the service after school. Noteworthy items about Dick include the fact that he made the second team for All City this year, and on November 4, at the annual Football Dance, was crowned "Football King."

# Seasonal Standouts!!

Tam Tyler is quarterback of our mighty football squad. He enjoys physical science, and plans to enter the Navy after graduation. Tam likes to hunt, swim, and participate in many other sports, and collects old coins as a hobby.

Although halfback Steve Meier was out seven weeks of the season with a shoulder separation and a leg hemorrhage, he still played some fine football. An extreme sports enthusiast, you will find him active in almost every sport, golf and diving included. His school activities are also numerous. He was secretary of his sophomore class, and is now serving as vice-president of the Sons of Mary. Listing math and English as his favorite subjects, he plans to put them to use while studying business in college.

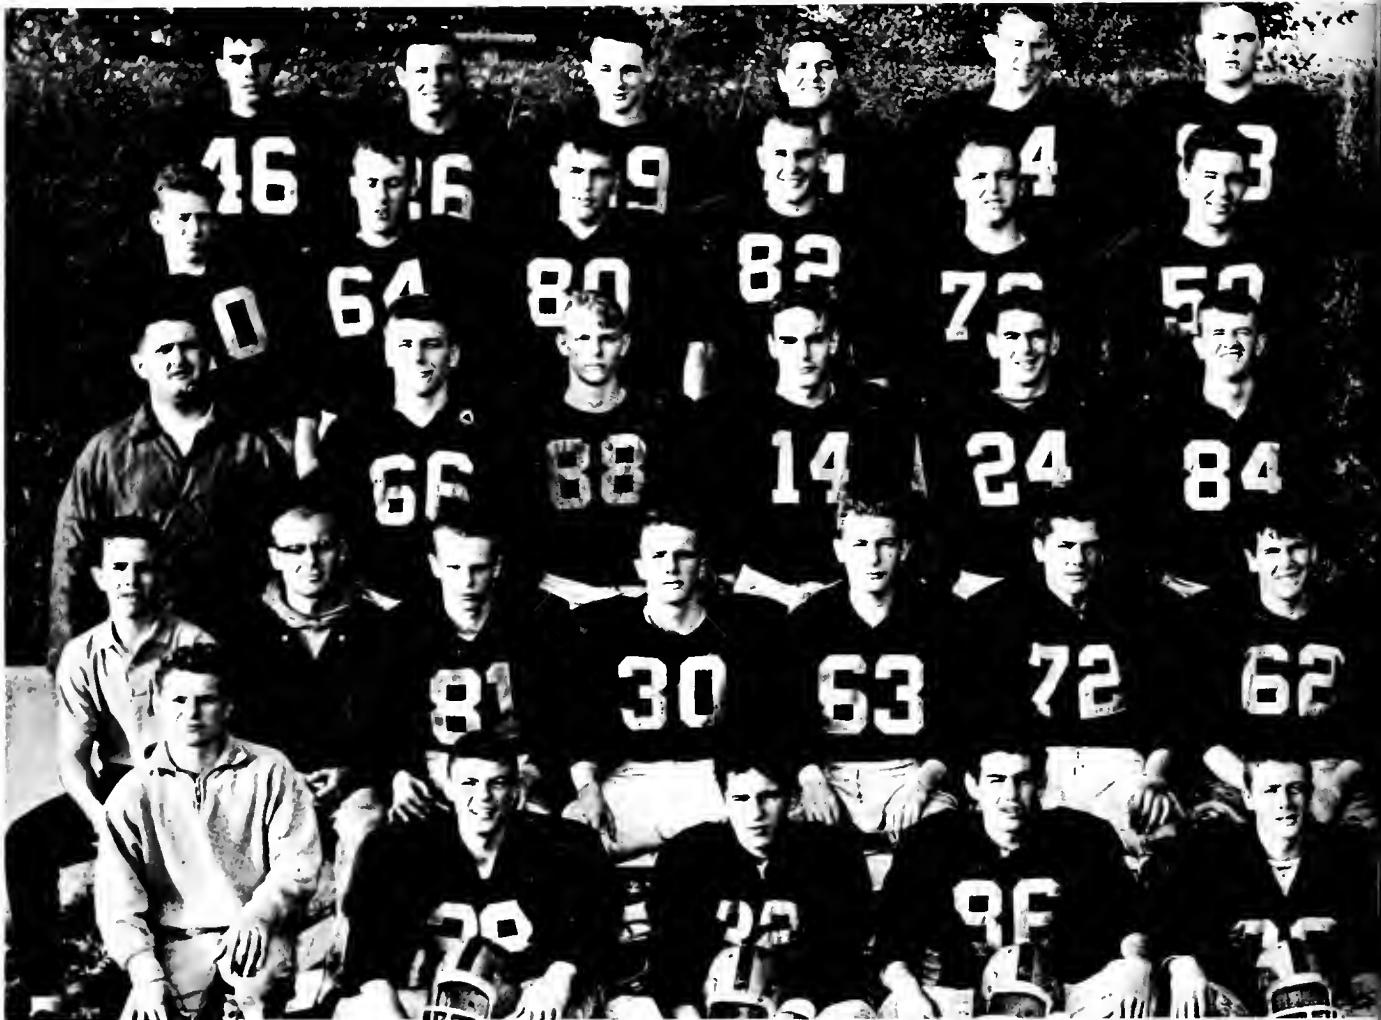

Senior end, Mike Obringer, has been playing football since fifth grade, and has been a member of C.C.'s varsity for two years. Mike, whose hobby is "doodling different designs," plans to attend college and study architecture. A member of St. John the Baptist Parish, New Haven, he is president of The Sons of Mary, and treasurer of the senior class.

Senior Guard, Bob Wehrle, is a veteran of seven years football. Naming English and typing as favorite subjects, he plans to attend college next year. Bob, who enjoys hunting, fishing, basketball, and weight-lifting, has been a member of the track and wrestling teams here at C.C. He was chosen a member of the first team, All City, for his football prowess, and was elected vice-president of the Letterman's Club.

Ran Schrayer, who plays defense, has been a member of our football team during the last four years. His favorite activities include weight-lifting, hunting, fishing, and ice-skating. Ran, who also is a member of the track and wrestling teams, was elected sergeant-at-arms of the Letterman's Club. A member of St. Patrick's Parish, he plans to attend college after graduation.

In the few years since Walt Bartkiewicz came to Central Catholic, many good things have happened, 2 city series titles and many a fine season. We have seen him groom boys into men and coach players into a team. Despite the so-so season of 1961, our coach and team can feel proud of the spirit and enthusiasm with which they tackled a terrific schedule of formidable opponents.

Several weeks before school started, our gridiron greats ended their vacation to begin getting in condition for the coming season. Their hard work and the brilliant coaching of Walter Bartkiewicz, provided our school with a fine football season, and a team of which our school was justly proud. Although we were not able to retain our City Championship title for a second year, our team looked good as it kept improving after a couple of mediocre starts.

Their sharp blocking, hard running, and accurate passing provided us with numerous thrills. There is a saying that variety is the spice of life, and our team gave us a variety of thrills in all of their hard fought contests. They were well supported by our student body, who sat through both rain and snow to cheer the team to victory.

Next year the team will miss the service of several seniors, who ended their careers by defeating South Side, thereby giving the city series title to Bishop Luers.

Although we did not win every game, it is well to remember the adage: "When that One Great Scorer comes to write against your name, He'll write not that you won or lost, but how you played the game."

Bill Krouse uses his skill and flexibility to outsmash North Side's linemen.

*When  
the  
Going*

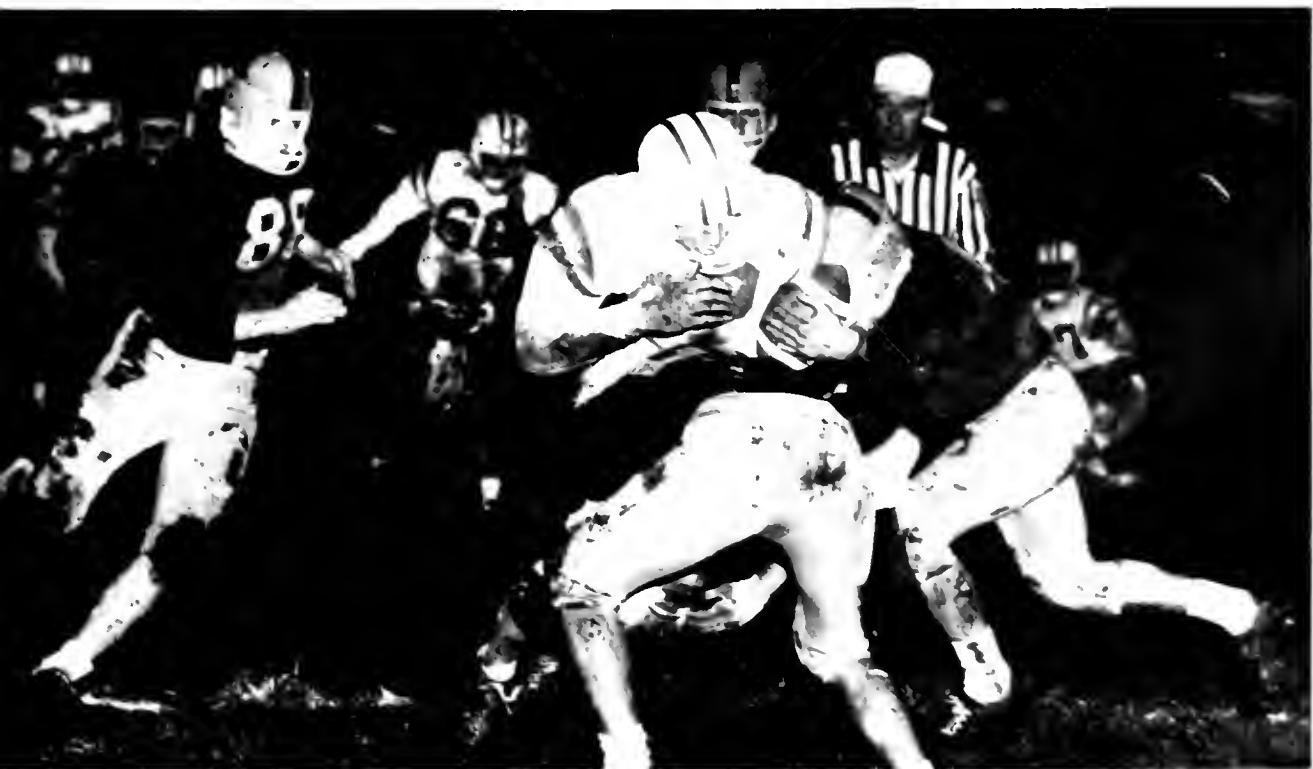

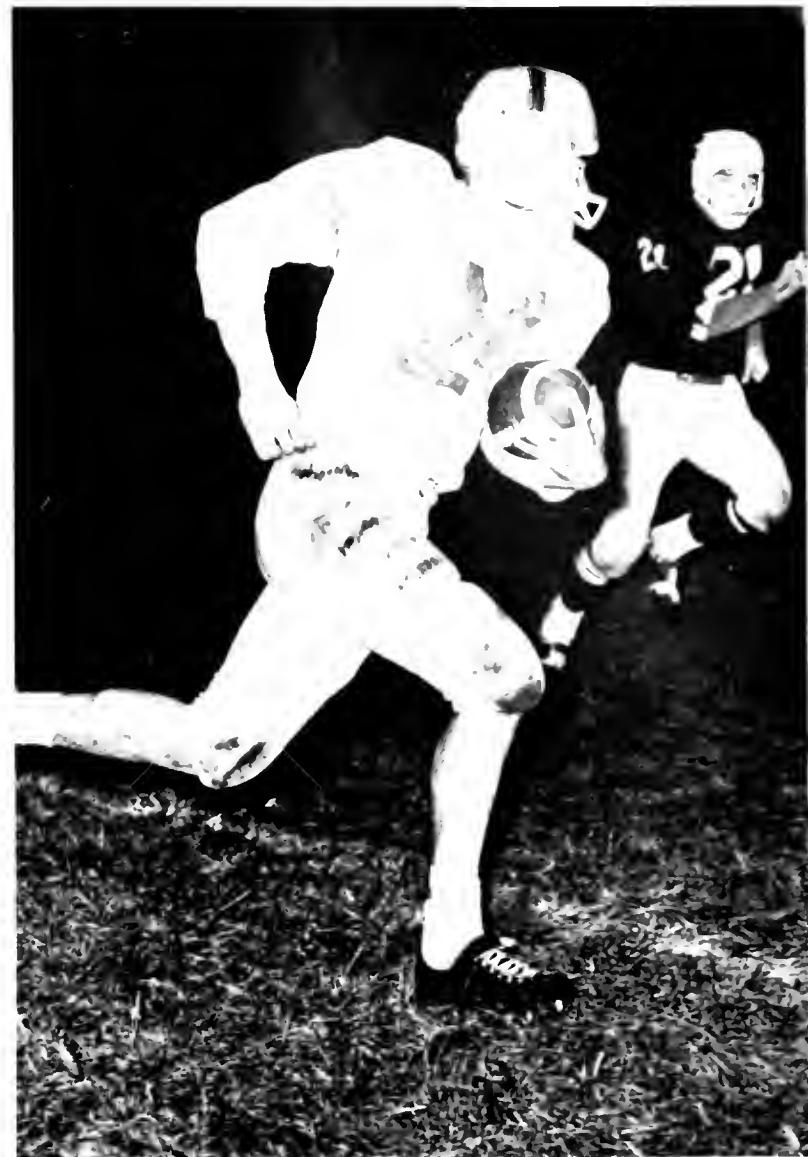

Football King Dick Frantz throws a typical key block at scrimmage enabling Bill Krause to gain valuable yardage.

# *Gets Tough*

Typical of his performances this year, Tom Hueber outmaneuvers a South Side player in close pursuit.

# *The Tough Get Going*

Dick Zehner rushes to the aid of his teammates in order to stop South Side on our own ten yard line on a fourth down play.

Having played basketball for the last seven years, John Dullaghan has a wealth of experience which he puts to good use on the basketball floor. A Senior, he plans to attend Marian College next year to study Business Administration. Co-captain of the basketball squad, John enjoys baseball and skiing in addition to his favorite sport, basketball.

Dave Schenkel, tall center on our varsity, has been very active here at C.C. in athletics. Besides 4 years of basketball, he has participated in track for 2 years and football for 3 years. His hobbies are building model airplanes and go-carts, and he enjoys ice-skating and water-skiing outside of school. Dave, who plans to attend Notre Dame or the University of Dayton, will work for a civil engineers degree.

## Irish Out-Play

Senior Pat O'Reilly plays either the forward or center position on our basketball team. Having participated in this sport for the last eight years, Pat is able to handle the ball quite well, and is an important member of the squad. He plans to continue his education at the University of Notre Dame next year, and is looking ahead to a career as a mechanical or electrical engineer.

Steve App, Senior center or forward, has been playing basketball since the fifth grade. Outside of school, he participates in baseball, tennis, water-skiing, golf, and ice-skating. Steve is undecided about college, however his favorite subjects are History and English.

## Out-Run Out-Score

Tom Walsh plays forward on our mighty varsity. Only a Junior, he has been participating in this sport for the last six years. Tom, who says football is his favorite game, has plans for college after next year.

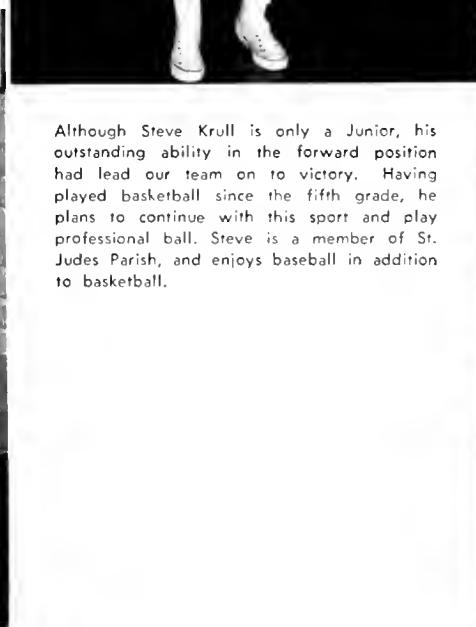

Carl Jacquay, a Junior member of the basketball squad, holds down the center position. He has been playing basketball since sixth grade and it is his favorite sport. A member of St. Louis Besancon Parish, Carl plans to attend college and major in Mechanics and English after graduation.

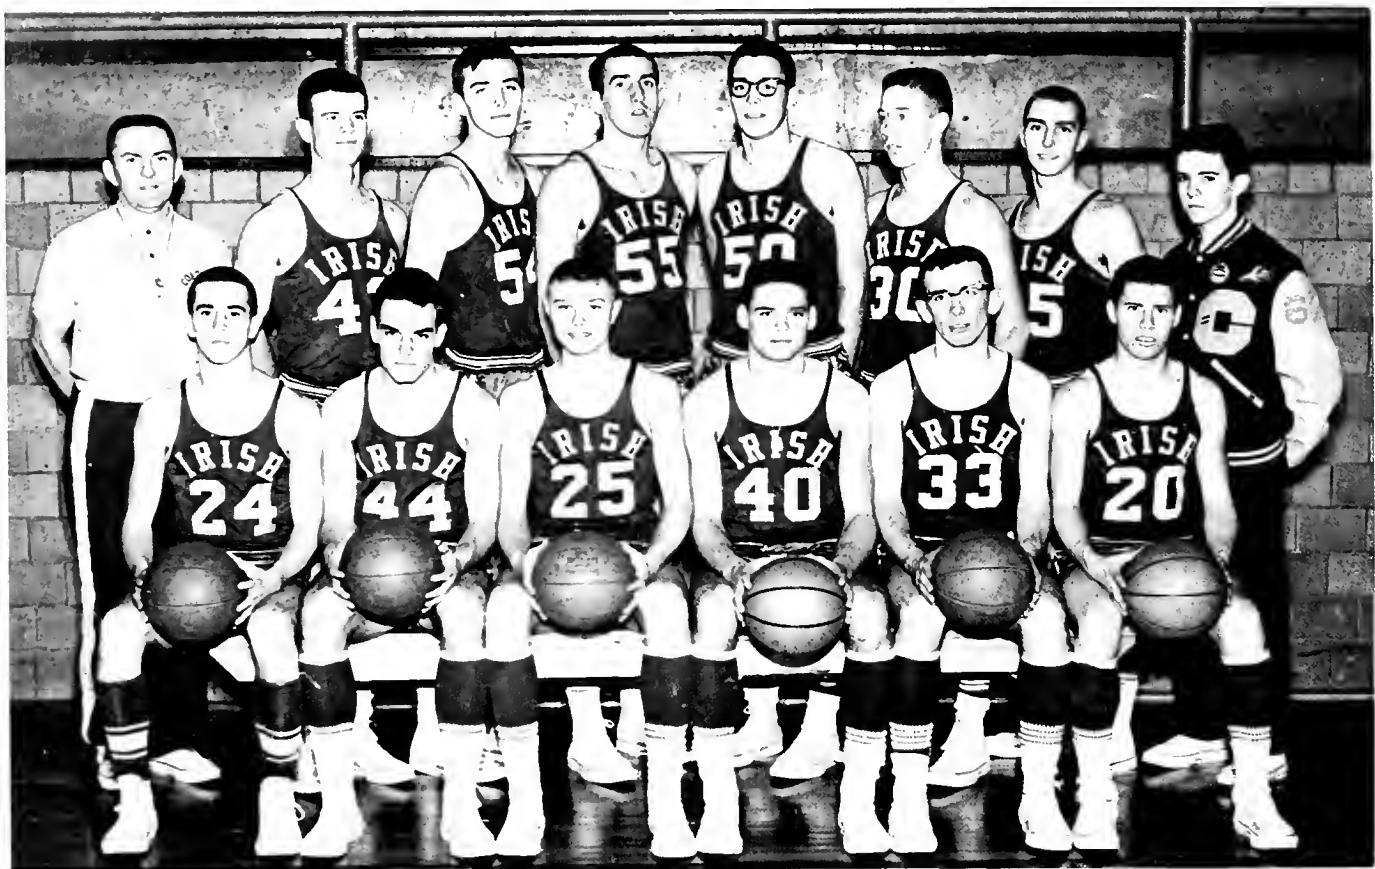

Dwight Craft, a Junior, has distinguished himself as a guard on the Fighting Irish varsity. Listing baseball and basketball as his favorite sports, he plans a future of either teaching or coaching. He has been playing basketball for the last seven years, and is hoping to be able to use it in the future.

Tony Zych is a Junior member of our varsity basketball team who plays the guard position. At C.C., Tony has also participated in cross country and freshman football. His plans for the future are indefinite, however he is considering college.

Although Steve Krull is only a Junior, his outstanding ability in the forward position had lead our team on to victory. Having played basketball since the fifth grade, he plans to continue with this sport and play professional ball. Steve is a member of St. Judes Parish, and enjoys baseball in addition to basketball.

## What a Season!!

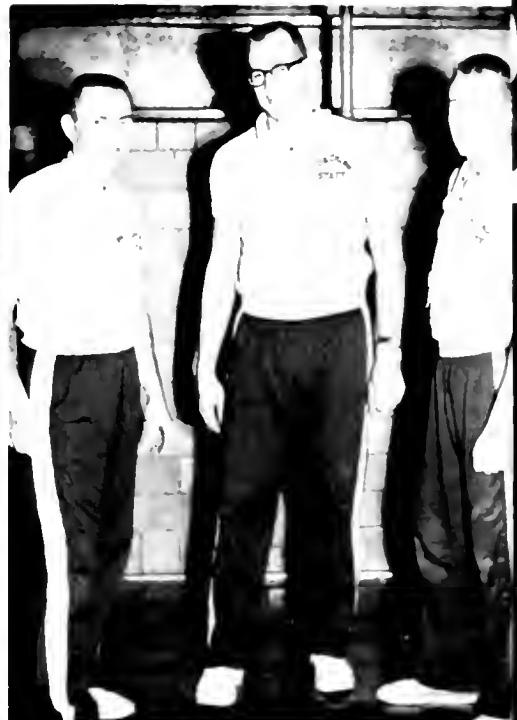

## What a Win!!

Never before have C.C.ers been prouder of their team. A season that held little promise became a resounding success. A group of boys with spirit, talent, and a will to win has led C.C. to its *First City Series Title*. For 30 years the public school system held a virtual monopoly on the championship, but not THIS YEAR! By twice defeating our neighbor across the street, C.C. put the title in its pocket and a real feather in Coach Connan's cap.

Wrestling is one of the sports in which even small boys can make good. Vastly different from the grunt and groan fakers of television, this is a genuine and really exciting competitive sport, without much danger of injury. Wrestling, as everyone knows, is a struggling sport here at C.C. but so was track a few years ago. Next year we look forward to a better and more rounded team.

Weight lifting, the newest sport in recent years, is growing in popularity which can be seen through its support.

# Girl's Athletics

Perhaps not as exciting as boys, girls basketball is none-the-less a spirited game, played hard by all participants.

At noon is it not at all unusual to see the gym floor crowded with girls playing various games from dodge ball to volleyball.

73

The girls athletic program while necessarily limited by facilities is an integral part of the education of all C.C.ers. From the first physical education class as Freshmen the girls are encouraged to participate in G.A.A. activities and intramural sports of various types. The dedicated director of all this is a lady known and admired by all who have trod these halls, Miss Julia Heighway.

SEN

# IORS

The seniors are the standard bearers upon whom the hopes, and dreams of C. C. rest. It is to them that all look, the freshmen with awe, the sophomores with envy and the juniors with anxiety. And how do the seniors look at it all? After four years of labor, lament and longing the goal is attained and one wonders "Where did it all go, all the fun, the laughter, and the hard work? Where have the years flown?"

# Scintillating Seniors

## Most Athletic

Mary Beth Miller and Maury Bubb, voted most athletic seniors by their classmates, have held fast to the motto that a sound body and sound mind combine into a good Christian, Catholic boy or girl. These two certainly prove their point.

## Most Scholarly

Scholarliness in this age of missles, rackets, and the cold war is an indispensable commodity. Jae Zuercher and Sabina Sabo, this year's most scholarly seniors, should certainly do C. C. proud in whatever they undertake: Let the record speak for itself.

# *Stand Out Surpassingly*

## *Most Friendly*

One can always depend on a hearty greeting and cheerful smile from these two friendly seniors, Martha Crosby and John Dulaghan. Chosen most friendly by their classmates, it is an honor richly deserved.

## *Most Gentlemanly Most Ladylike*

Most gentlemanly is a title that well describes Mike Obringer who has always made courtesy a byword. Kathy McCrady, quiet, gentle and polite is everything that the word lady implies.

## *Most Co-operative*

Co-operation is necessary for success in any endeavor, and certainly no 1962 graduate deserves the title co-operative more than Pandy Taylor and Mark Schoefer, two most pleasant and able seniors.

# *Senior Class Officers*

*Class  
of  
1962*

As time ebbs away, we, the class of '62, find that our days at C.C. are nearing completion. It is astounding that four years have passed since we entered as Freshmen. Many studied hard, learning and acquiring the knowledge necessary for life. High school entails more than studying. The fun we experienced at every game, cheering the team on, and our dances. Our Catholic education has given us courtesy, sportsmanship and responsibility; filling us with Catholic ideals and principles. In learning, let's not forget those who encouraged our education, our principal, Father Hammond, the priests, sisters, and lay faculty. To you we express our sincerest gratitude for all you have done for us.

**CLAS**

# SES

The underclassmen of Central Catholic literally make the solid foundation around which school projects and activities are built. They take on interest and work enthusiastically not only for the advancement of their class but the entire school. Their labors are often quiet and sometimes unrewarding but never, never, ending. Truly the underclassmen form the backbone of our student body. It is through their prayers and participation that we profit.

# *Junior Class Officers*

JUNIOR CLASS OFFICERS: Left to Right, Georgia Brown, Vice-President; Diane Duquette, Treasurer; Tom Hueber, President; Tom Walsh, Secretary.

*Class  
of  
1963*

The class of '63 has attained the reputation of ability in sports, scholarship, and activities. These characteristics pinpoint the Junior Class assets. The annual Junior Dance was a big success all around. Everyone pitched in and did his assigned chores, and the co-operative effort was sensational. The success of a class is dependent on its unity and this the class of '63 has. The number of Junior boys participating in athletics expresses their attitude toward extracurricular activities, helping to better school and selves. Many Junior girls are active in the Daughters of Mary and Veronica Guild, helping others help themselves. Underclassmen traditionally look up to those ahead of them, we hope that our actions make us worthy of that respect.

# Sophomore Class Officers

L. to R. John Mouch, president; Mary Morris, treasurer; Karen Choka, secretary; Bill Hoot, vice-president.

As the class of '64 reaches the mid-point of its high school career at Central Catholic, its members can look back on their initial Freshman period, remembering the fun, frolic, and newly made friendships.

But with Sophomore year came an emphasis on studies. Yes, scholastically work was rougher and tougher, and honor students were definitely to be congratulated for excellent work.

Throughout the school busy Sophomores could be found; some helping in the cafeteria, others more artistically inclined, drawing posters for the Art Club. Still other talented tenth-graders were active in the band, the orchestra, and the chorus.

On the sports scene, the Sophomore girls honorably took second place in the volley-ball tournament after succumbing to the champion Juniors. Football and basketball victories were few and far between, but the fighting Irish spirit was never lost. Classmates backed the reserve squads all the way.

For a social whirl, the annual Sophomore Sock Hop was held to everyone's enjoyment.

After having taken a step up on the ladder of life, the '64ers look forward to Junior year, class rings, and the "big dance".

# Freshmen Class Officers

FRESHMAN CLASS OFFICERS: Left to Right, Ron Stansky, President; Terry Donahue, Secretary; Cindy Pease, Vice-President; Virginia Miller, Treasurer.

Class  
of  
1965

The record of this year's Freshman Class indicates that it may well become a worthy representative of Central Catholic in scholarship, athletics, and extra-curricular activities.

Scholastically, we placed sixteen students on the high honors list and forty-three on the general honors list. Numerically, these statistics may not appear to be on par with the honors awarded to the three upper classes, but when viewed in proper perspective they are more than comparable.

We have compiled an enviable record in athletics. We missed by a hair capturing the city frosh football championship. We led the school in the annual Christmas Card Drive and nearly repeated in the Seaway Mint Contest.

As the result of all these activities, the ex-eighth graders of early Fall have become a closely knit, well organized class.

Signs of the forthcoming season are in plain view. The brisk and sparkling freshness of summer days introduce the end of school—the end of robust life on the green campus of Irish territory—which is approaching very fast.

Our staff's profoundest dream is constituted in an exquisit pictorial anthology. The days of long, hard work display the dedication professed by staff members. The realization of this dream has been presented to you in the past 265 pages —you guessed it—The Echo!

Have a Happy Summer  
and

Good Bye, Farewell, Adieu!  
That's the 1962 Echo Staff's wish  
to you.
